

VALPOLICELLA RIPASSO CLASSICO SUPERIORE

This elegant and complex Valpolicella continues the family tradition of the Ripasso method, used since the 1850s. The style is a consistent expression of the indigenous Corvina, Corvinone, Rondinella and Oseleta grapes and *terroir* of the area. The Ripasso method is delicately achieved by conducting a second extended maceration and fermentation over the Amarone grape skins, giving the wine a higher complexity, softer body and intense color. It is then aged for two years in big oak barrels.

With notes reminiscent of Amarone, the wine is a vivid ruby red color. On the nose, intense hints of cherry, blueberry, liquorice and lingering scents of cinnamon and pepper. On the palate, soft and structured velvet tannins and a very balanced acidity. Long finish with fruity sensations.
